Dear Parents and Students:

Welcome to the Congregation Sha'aray Shalom Religious School. As we begin another school year we are so excited to share with you exciting changes and additions to our religious school programs. This handbook has been prepared to help you understand the policies and goals established for the Religious School. Please review the handbook together so that everyone is familiar with its contents.

The role of providing an excellent Jewish education for our children can only be fulfilled through the collaborative efforts of our students, teachers and parents. We aim to strengthen the bond between the home and the temple; that bond is essential to the effectiveness of the school. We urge parents to get involved through your cooperation, your support and through your reinforcement of the lessons we teach. We are excited about our New Hebrew program which will start this fall. More details are in this booklet.

Please make sure to mark your calendars with the important dates including our special events, our new Limud - Parent Education Programs as well as Shabbat L'Kulam services for this coming year.

Please plan to join us for our opening days of school — Sunday, September 8th for our preschool through 6th grade students and Monday, September 9th for our 7th through 10th grade students. As part of our opening day program, parents will spend time with the teachers learning about the curriculum and goals for the year.

Through this handbook we have tried to anticipate and answer many of your questions. We are supported by the wonderful efforts of our lay leadership, who support us in our continued efforts to provide the most outstanding Jewish education possible for our students. The Education Committee is an essential ingredient to the proper functioning of our school. The committee is always looking for new members. If you would like to serve on the Education committee, if you would like to serve on the Education committee, please contact one of the committee chairs Karen Maravel (karenmaravel@verizon.net) or Lisa Veldran (Veldrans@verizon.net). We look forward to your participation in the education of our children and participation as members of our synagogue community throughout the year.

L'shalom,

Rabbi Shira Joseph

Educational Mission

THE MISSION OF EDUCATION AT CONGREGATION SHA'ARAY SHALOM IS:

- To enable children and adults to affirm and strengthen Jewish identity by promoting the goal of Jewish education within the Reform Movement.
- To deepen Jewish experience and knowledge in order to strengthen faith in God, love of Torah, and identification with the Jewish people throughout the world.

GOALS OF THE RELIGIOUS SCHOOL

The Religious School program at Congregation Sha'aray Shalom is an integrated program of Hebrew Prayer and Judaic study both on Sunday as well as mid-week. In addition, participation in the life of the synagogue community including worship, mitzvah and programming outside of the walls of the congregation are essential elements of our program.

The purpose of our Judaic curriculum is to promote a positive Jewish identity through the study of Jewish beliefs, ideals and history, and the performance of Mitzvot. Our goal is to have students think and act in a Jewish way. The Hebrew curriculum is a Siddur program, designed to enable students to become proficient in reading the Hebrew prayers, and to gain an understanding of both the prayers and the service. Students surpassing these goals will have an opportunity to learn the rudiments of conversational Hebrew.

2013-2014 Curriculum Additions And Changes:

New Hebrew Program

Starting this year, we will introduce a New Hebrew program which should help each student reach his or her full potential in Hebrew prayer fluency and literacy.

All students' grades 5 & 6 will be placed in ungraded small group instruction beginning in November 2013 in which benchmark prayers will be reviewed. With the acquisition of V'ahavta, Avot, Gevurot, Chatzi Kaddish, additional prayers will be taught. Students who wish to move ahead in their prayer literacy are welcome to study these prayers through use of an on-line guided prayer program accessible through our website www.shaaray.org.

Objectives For The Program:

1. Students are responsible for completing the basic prayers on his or her grade level. The expectation is that it will take 2 years to fully implement this objective.

2. The student will demonstrate competency in individual prayers by being able to read them with complete accuracy and have a basic understanding of their content, including where in the liturgical structure of Shabbat Evening or Shabbat Morning Service, these prayers occur.

Format:

In order to facilitate the progression of prayers and of students being able to successfully master a particular prayer and then move on, Hebrew instruction will now be taught for 5th and 6th grade on Sundays from 12:00 until 12:45. During the week, prayer Hebrew will be taught for grades 5th and 6th from 4:30-5:15 following our regularly scheduled student worship service.

Text:

A new instructional prayer book entitled Kavannah Complete will be used by students in grades 4 through 6. This book will follow them through the upcoming years of Hebrew study. Prayers are now on-line (www.shaaray.org) for additional practice during the summer and throughout the year.

Note:

This is a two year pilot program. Additional standard prayers are now being added to the regular curriculum following the structure below. Each grade assumes the prayers from the previous level. This is an ongoing curriculum project in which changes will inevitably be made.

At the conclusion of two year, it is our expectation that student's will be able to make these prayer benchmarks.

Kindergarten	Shema, Shabbat blessings (by rote)
1st grade	Modeh Ani, Barchu (by rote)
2nd grade	Morning blessings, Oseh shalom (phonetic decoding of prayers; assumes aleph bet acquisition)
3rd grade	V'ahavta, Adon Olam, Kiddush
4th grade	Avot, Gevurot, V'Shamru, Mi Chamocha, Ahavat Olam
5th grade	Torah blessings, Haftarah blessings, Chatzi Kaddish, Mourners Kaddish, Ein Keloheinu, Shalom Aleichem
6th grade	Kedushah, Yismechu, Sim Shalom, Shalom Rav, Mah Tovu
7th grade	Ashrei, Yotzeir, Ma'ariv Aravim

For the coming 2013-2014 school year, first semester, the following competencies will be shown as follows:

It is assumed that all incoming 5th and 6th grade students are already proficient in the V'ahavta, Avot & Givurot. These prayers will be reviewed from the start of school in September through the beginning of November.

At the conclusion of year two of this new program, it is our expectation that students will be able to make these prayer benchmarks:

5th grade V'ahavta, Avot & Givurot, V'Shamru, Torah Blessings, Haftarah Blessings

6th grade V'ahavta, Avot & Givurot, V'Shamru, Torah Blessings, Haftarah Blessings, Chazi Kaddish, Kedusah, Yismechu

December 2013

Ungraded Pods:

Adom V'ahavta, Avot & Givurot, Modeh Ani, Morning Blessings

Kachol Avot, Givurot, V'shamru, Adon Olam, Ahavat Olam

Lavan Haftarah Blessing, Chazi Kaddish, Mourners Kaddish, Shalom Alechem

Modern Hebrew

Another new addition to our Hebrew curriculum will be the addition of a Modern Hebrew component for students in grades 5 and 7. Students will have the opportunity to learn about Hebrew as a vibrant living language. This program will supplement the prescribed Prayer curriculum outlined above.

Guest Reader

With the completion of our new Yaschik Library, students in our preschool through 2nd grades will have the opportunity to visit the children's section of the library and have story time led by guest parent readers. Parents are invited to sign up for this fun activity to read a Jewish Holiday book to their child's class. Sign-up information will be available from your child's teacher.

TET/NINTH GRADE

This year's Curriculum for our 9th grade students will be based on the TELEM Program which is a program of the Jewish Community Relations Council (JCRC). TELEM is a Jewish service learning program which integrates community service with learning, reflection, and opportunities to effect real change. Along with engaging in action, our students will learn about Jewish values and social justice issues connected with their volunteer work. Our focus for this year will be Connecting Generations.

By the end of this year long program, our 9th grade students will:

- Understand that honoring seniors and engaging in community service are both key Jewish values
- Understand Jewish texts and values as a lens through which to understand their service experience with seniors
- Apply Jewish learning to real life situations and choices
- View service as a vehicle for positive contributions to the Jewish and general communities
- Challenge problematic societal perceptions of seniors
- Confidently employ skills to work with the elderly and engage in community service
- Experience Judaism as a tradition committed to social justice.

In addition to the TELEM program, ninth grade students will focus on studying Hot Topics - Jewish responses to current social justice issues.

YUD/CONFIRMATION

Confirmation students will study the 10 Commandments and apply these ancient laws to today's world. The students will also create a modern set of commandments by which they wish to live.

Tet/Ninth Grade & Yud/Confirmation

Ninth and Tenth grade students will join us for our trip to the L'taken Seminar in Washington D.C. February 7-10, 2014. In the weeks prior to the trip, ninth and tenth grade students will study the current issues that will be covered during the seminar.

The 9th and 10th grade year concludes with the Service of Confirmation, a creative service written by our confirmation students on the evening of Shavuot (Tuesday, June 3, 2014 at 7:00 pm), the holiday which celebrates the receiving of the 10 commandments. 9th grade students will participate as the service leaders.

L'Taken Seminar (Washington D.C. Trip) — February 7-10, 2014

The highlight of the 9th and 10th grade program will be their participation in the L'taken Seminar, sponsored by the Religious Action Center, the political advocacy arm of the Union of Reform Judaism. The Bernard and Audrey Rapoport L'Taken Social Justice Seminar is an intensive four-day study kallah in Washington, DC, focusing on Jewish values and social justice. Every year more than 100 congregations from across the country bring their high school students to participate in this exciting event. This unique Washington opportunity enables students to hear from experts both inside and outside the Jewish community. Every L'Taken Seminar covers several different issue areas in a variety of interactive formats. Each seminar includes an opportunity for students to tour the U.S. Holocaust Memorial Museum and participate in Havdalah services at one of the memorials. Students also sample the vibrancy of Georgetown and other exciting areas of Washington, DC.

Tzedakah

Tzedakah and Gemilut Chasadim are two important themes in our Religious School curriculum. Tzedakah is not charity but rather doing what is right and just. Gemilut Chasadim refers to deeds of loving kindness, action-oriented approach to improving the world in which we live. We believe that tzedakah and Gemilut Chasadim go hand-in-hand and that their importance can be taught from an early age, both in the school and at home. The goal is not only that our students experience the process, but also that they learn to *build tzedakah and Gemilut Chasadim into their lives, as a fundamental Jewish value.*

We encourage students to make weekly contributions when we collect tzedakah money and to participate in class discussions concerning the allocation of the money collected. Students and parents are asked to participate in social action projects undertaken by the school or congregation.

Important Life-Cycle Celebrations

CONSECRATION — KINDERGARTEN AND NEW STUDENTS

Consecration is the ceremony that welcomes new students at the start of their formal Jewish education. In addition, Consecration welcomes students of all ages who are new to our school. It is Jewish tradition, that as we celebrate the conclusion of the Torah reading cycle on Simchat Torah, so too, do we celebrate the beginning of a child's Jewish education. On the evening of Simchat Torah these students receive a blessing from the Rabbi and Cantor, and a certificate and miniature Torah from the Congregation commemorating their entry into Jewish education.

** This year, our service of Consecration will be held on Friday, September 27th at 7:00 pm. The service is preceded by a dinner at 6:00 pm for our new students and their families. Immediately prior to the service, there will be a formal class picture, which will be on permanent display in the school wing.*

** We will once again be joined by the Winiker Band to help us celebrate this milestone in our student's lives with festive dancing during the service.*

BAR/BAT MITZVAH

The tenets of Judaism hold that when a child turns the age of 13, they are considered an adult and therefore are responsible for upholding the 613 commandments. In celebration of this entry into Jewish adulthood, one becomes a Bar or Bat Mitzvah. As part of the ceremony, the child will participate in leading the Shabbat morning service, read sections from the Torah and Haftarah portion for that week, as well as delivering a D'var Torah (speech) to the congregation focusing on their interpretation of the Torah portion. All students must satisfy their Shabbat service requirements as well as complete a significant mitzvah project.

The process for selecting a Bar/Bat Mitzvah date occurs approximately two years prior to the year of the event. In the late fall, families will receive a list of available dates along with a selection sheet. Families will be asked to list three potential dates and return the sheet to the office as soon as possible. Dates are given in the order that they are received.

Further information concerning the requirements as well as the training process for becoming a Bar or Bat Mitzvah can be found in the Congregation Sha'aray Shalom Bar/Bat Mitzvah Handbook.

** Bar & Bat Mitzvah families are expected to attend services weekly either on a Friday night or a Saturday morning during the month prior to their sacred event.*

Service of Confirmation

Tuesday, June 3, 2014 at 7:00 pm

The service of Confirmation takes place on the holiday of Shavuot, celebrating the giving of the Torah to the Jewish people at Mount Sinai. The Confirmation service is a creative worship service written and led by the Confirmation class, assisted by the 9th grade class.

** This year, Confirmation will be held on Tuesday, June 3, 2014 at 7:00 pm. A dinner for confirmation families will be held at 6:00 pm organized by our 7th through 9th grade families and a class picture will be taken prior to the start of the service.*

SCHOOL ATTENDANCE

Consistent attendance at Religious School demonstrates your commitment as a parent to your children's Jewish education; promotes an optimal learning experience and helps foster the development of important social relationships within the Jewish community.

The following are the total acceptable absences for the school year:

- Kindergarten through 2nd Grade — 4 classes
- 3rd Grade through 7th Grade — 8 classes
- 8th Grade through 10th Grade — 4 classes

If a student exceeds this number of absences, he/she may not be eligible to matriculate to the next grade without make-up work and tutoring as determined by the teacher and Cantor Weiss.

SHABBAT SERVICE REQUIREMENTS

Families are encouraged to worship together at Congregation Sha'aray Shalom. The Service experience combines singing and learning, promotes Hebrew fluency, along with comfort and familiarity with Jewish religious practices, and helps build a sense of commitment and community- all of which are crucial for young Jews growing up on the South Shore. Because service attendance is essential to gaining proficiency in the curriculum, students are required to attend religious services on a regular basis. If by March of the school year, a child is falling behind in meeting the service requirements, parents will be contacted by either the Rabbi or Cantor to discuss how to develop a plan to meet this extremely important requirement.

The following are the number of services students are expected to attend during the school year:

Kindergarten through 2nd Grade — 4 services

3rd Grade through 7th Grade — 8 services

8th Grade through 10th Grade — 8 services including Confirmation

Credit will be given for services attended as part of SHASTY events.

Only Shabbat services (Friday or Saturday) at Congregation Sha'aray Shalom count toward the fulfillment of the service requirements. Shabbat L'Kulam Services and KIDushat Shabbat (for preschool through 2nd grade) will count towards this requirement.

New Shabbat Service Check-In Procedure:

Beginning in September 2013, students will report their Shabbat service attendance to their classroom teacher on a weekly basis. A chart tracking each individual student's and cumulative class service attendance will be on display in each classroom. Students must report their attendance to their teacher to receive credit.

The class with the most cumulative number of services attended will receive a special treat at the end of each school semester. Index cards will no longer be used.

DRESS CODE

Participation in leading worship, whether it is leading the Kiddush in the lobby or on the Bimah in the Sanctuary is an honor that comes with the expectation of appropriate dress. Jeans, shorts, sneakers, flip flops, are **not** acceptable forms of dress. Girls should have their shoulders covered and boys should be wearing long dress pants with a button down shirt (at a minimum).

CLASS ATTENDANCE AT FRIDAY NIGHT SERVICES

Once again this coming year, we will be designating one Shabbat service in which each grade will join us as a class to help us lead the Shabbat Evening Kiddush at the beginning of the service. Classes will be encouraged to arrange for a simple Shabbat dinner for parents and students at 6:30 pm prior to the service.

The dates for the services are:

October 4th — 7th Grade

October 25th — 6th Grade

November 1st — 5th Grade

November 8th — 4th Grade

November 22nd — 3rd Grade

SHABBAT L’KULAM (SHABBAT FOR EVERYONE)

Shabbat L’Kulam services are held on selected Saturday mornings (see schedule below). Students in each grade will assist with the planning and leading of the service. These services are an important element of the school curriculum and all students are required to attend at least two services throughout the year. Each time a Shabbat L’Kulam service occurs, there will be a grade that leads the service, as well as a grade that will assist with the service and coordinate the Shabbat luncheon following its conclusion. Further information about services will be provided during the year.

USHERING AT SERVICES

In order to help students and parents feel more comfortable during services, students and parents in grades 5-7 will be asked to assist as ushers and greeters at a service during the year. Fifth grade families will be asked to serve as ushers on a Shabbat evening and sixth and seventh grade families will be asked to serve as ushers at a Bar/Bat Mitzvah service during the year. Date selections will be forthcoming.

QUESTIONS PEOPLE ASK ABOUT SERVICES

The Religious Practices Committee has been asked to address the issue of sanctuary behavior and decorum. A small task force was formed to develop and communicate some guidelines for our congregation. It is our hope that this may help to provide a mutually respectful communal prayer environment which will improve the worship experience for all; congregants, clergy and guests. We realize that such guidelines may need constant revision as we determine what works best for our community. If you have any questions or concerns, please feel free to contact a member of the religious practices committee. We thank you in advance for your cooperation.

General Requests

- Please try to arrive on time to participate fully in the joyful experience of the service. Service times are easily accessible on our website, in the bulletin, through the weekly email, or by calling the temple office.
- Before entering the sanctuary, please turn off all cell phones and electronic devices.
- While our attire in the sanctuary has relaxed somewhat over the years, we ask that you be respectful of the prayer environment and fellow worshipers by selecting attire appropriate for the occasion. If you are participating on the bimah you may consider something more appropriate as a prayer leader. (Jeans, shorts, sneakers, etc. are not appropriate.)
- Food and drink are not permitted in the sanctuary, unless medically necessary. We enjoy refreshments in our social hall following services, when we gather to greet each other.
- Please do not move about unnecessarily in the aisles, the side ramp, or onto the bimah during the service. Please be aware that noise in the hallways travels easily.
- We request that you refrain from the distraction of picture taking during services.
- You are welcome to take pictures at the conclusion of the service (Some people have set up stationary video equipment at the back of the sanctuary, prior to the start of the service).
- If it is necessary for you to have prolonged conversation with others, please do so outside the sanctuary. So too, extended vocal distractions or raised voices are not appropriate to the prayer space.
- Coming and going should be kept to a minimum. Our volunteer ushers are there to assist you and may let you know when it is appropriate to be seated. Please feel free to call on them if you need something in particular or if they can be of help in an emergency.

REGARDING CHILDREN

We welcome children of all ages at our services and request that young children sit with their parents. While older children may wish to sit with friends, parents should be nearby to monitor any distractions.

The rear of the sanctuary is especially well suited to families with young children. The deeper row provides ample room for strollers and floor sitting. The occasional sweet noise of a child is welcome and adds a warm cozy feeling to our community, and we request the patience of the entire congregation as our children grow and learn to worship in community. Should your child become loud or physically active, please leave the sanctuary as quietly as possible.

For those times when you need to take your children out of the service, we now have an area of the social hall which is set up for little ones with books and activities should they need a distraction. You will still be able to follow along with the service as it will be playing over the audio system in the social hall.

At the conclusion of services on Friday evening, children of all ages are invited to join the Rabbi and Cantor on the Bimah to assist us in making Motzi

HOMEWORK

Homework assignments are an essential part of the learning process and are intended to complement classroom learning. *Parents can expect their children to have regular homework and are strongly encouraged to study with them.* This provides a great opportunity to emphasize the value of Jewish learning through modeling. Given our busy schedules, teachers will work to ensure that homework assignments are of appropriate length. Spending just 10-15 minutes doing Jewish learning on most evenings has the potential to have an enormous impact on your child's learning and Jewish identity.

* *Students will be able to work online to complete assignments and to practice their prayers through our new prayer's section on our website www.shaaray.org.*

MATERIALS

All students will be provided with the appropriate textbooks at the beginning of the year. In general, each student is expected to bring his/her textbooks, notebook and pencil to each class, and to arrive in class prepared to work. All students in grades k-10 will be charged a fee in order to cover the increasing cost of books and materials used in the school. Students will be given their books to take home at the end of the school year.

PROGRESS REPORTS

Progress reports are issued twice each year for students in grades K-7 to report on your child's strengths, in addition to areas needing improvement. Teachers are available throughout the year to discuss your child's progress. Please feel free to contact your child's teacher. Contact information is included in this booklet.

TUTORING

Congregation Sha'aray Shalom is committed to assuring a quality Jewish education for all children enrolled in our school. We now have in place a Special Needs Coordinator to work with students who learn differently or are in need of additional assistance. The coordinator will assess what additional resources are needed to help students succeed.

In order to assist those students that we identify as needing additional assistance, the religious school will provide a limited amount of tutoring both in small groups and individually. In the event a child misses a large number of classes, or falls behind significantly, parents will be encouraged to pursue private tutoring at their own expense.

ELECTRONIC DEVICES

The use of electronic devices of any kind by students during religious school hours is prohibited. This includes cell phones, pagers, game boys, I-Pods, etc. Students found using these items will have them confiscated and will only be returned to a parent.

BEHAVIOR

All students are expected to be respectful and considerate of others, to follow school rules, and to dress in an appropriate manner, typical of everyday school dress. For service attendance, students should be dressed in a manner befitting the sanctuary.

* *No jeans, tee-shirts, sneakers, bare shoulders, sneakers or flip flops etc.*

DISCIPLINE

If a student fails to meet academic or behavioral standards, the following progression of steps will be taken, as necessary.

- The teacher will discuss the problem with the student and develop a plan to resolve the issue.
- The teacher will notify the parent(s) of the problem.
- The teacher and Cantor Weiss will confer with the parent(s).
- A child may be suspended from class and assigned an independent study Mitzvah project at the direction of the Cantor and Rabbi should inappropriate behavior continue.
- In extreme circumstances, and with the approval of the Rabbi & Cantor as well as the Education Committee, a child may be expelled from the religious school program. Such expulsion would jeopardize continued opportunities in the Congregation Sha'aray Shalom education program such as Bar/Bat Mitzvah and Confirmation.

PARENT INQUIRIES

If a parent has a concern with regard to school programming or a member of the staff, it is recommended that the particular member of the staff be contacted directly to share the concern. As always, Cantor Weiss or Rabbi Joseph will be available should additional consultation be necessary.

PARENT INVOLVEMENT

The members of our Religious School staff work in close partnership with the parents and larger community to promote Jewish education. Parents at different grade levels are asked to accept the responsibility to help organize and participate in specific school or congregation events. Members of the Education Committee will serve as liaisons. The activities and responsible classes are listed below.

In addition to the activities listed above, all grades will participate in our Friday Night Dinners & Shabbat L'Kulam Services. Further information is found earlier in this handbook.

ROOM PARENTS

Each class will have a room parent who serves as an important link between the school and the home. Room parents will work hand in hand with the teacher and are there to assist in coordination of volunteer help throughout the year.

In addition to the class parents, once again, there will be a point person selected for each class in order to coordinate a class mitzvah project. The purpose of the project is to promote social action and responsibility in our students beginning at the earliest age, as well as to provide an opportunity for parents and students within the same grade to spend time together outside of the classroom.

SNACK

In order to maintain proper health codes and to assure the best education possible for our students, with the exception of students in our parent-tot, Pre-school and Pre-k classes, there will no longer be snacks served during the school day. Appropriate foods will be distributed throughout the year in keeping with Jewish holiday celebrations. Breaks will still be given in order to allow students to get a drink of water or to use the restrooms.

TRAFFIC

The temple parking lot can be a dangerous place. To promote our children's safety we ask that you follow the guidelines outlined below when bringing them to or picking them up from Religious School classes.

- The preferred approach is to park your car and walk your child or children into the building or to your car.
 - * **Children should NOT cross the parking lot unaccompanied, to get to or from your car.**
- If you choose not to park your car, please follow the directions for drop off and pick up that will be posted in the synagogue parking lot.
 - * **All cars entering the parking lot should go to the right and not drive straight through to the temple entrance.**

DROP-OFF AND PICK-UP

Please do not drop off students any earlier than 15 minutes before the start of classes. In the event you need to bring them earlier, they must be supervised by a parent.

It is expected that parents will pick-up students no later than 10 minutes after the conclusion of school. In the event of an emergency that would prevent timely pick-up, please call the school office (781) 749-8103 so that we can be aware of the circumstances.

EARLY DISMISSAL

In order for a student to leave school early, they must have a note signed by a parent. The note should be brought to your child's teacher. Whoever is picking the student up must come into the building in order to sign out the student. Students will be waiting in the school office.

NAMETAGS

Parents are asked to wear their name tags when in the building for ease of identification. All members of the teaching staff will be wearing name tags this year.

OTHER SAFETY ISSUES

For emergency situations, Congregation Sha'aray Shalom has procedures to evacuate children from the building and/or bring them to a safer location, if necessary. Fire drills will be conducted at the beginning of the fall and winter terms for the benefit of our students and teachers.

Congregation Sha'aray Shalom also has procedures in place should it be necessary for students and faculty to shelter in place. This will be practiced at the beginning of the school year.

WEATHER RELATED SCHOOL ANNOUNCEMENTS

If the Hingham Public Schools are closed or dismissed early, Sha'aray Shalom Religious School will be closed that day. School closing announcements will be made on WBZ News Radio 1030, WBZ Channel 4 TV, WCVB TV 5 and WHDH Channel 7 TV. If there is any doubt whether or not school will be open, the Temple telephone answering machine will have a recording giving the status of school that day. The synagogue phone number is (781) 749-8103. As always, we recognize that parents will use their best judgment when deciding on whether to drive in extreme weather.
